STEALTH IN ACTION - UNIVERSITY OF VIRGINIA

Challenge: Protecting the students from local crime in the area, who often would leave campus late at night after study sessions.

Solution: Stealth revamped the existing security system by initiating escort services. Two-way speaker systems inside the building allow 24/7 communication with Stealth's remote concierges.

Results: Stealth monitors and conducts video escort services to ensure patron safety at a fraction of the cost of physical guards. Since installation, there have been zero incidents.
