- High-risk sites can receive 24/7 monitoring, including weekends & holidays
- Customizable security service protocols & operational reporting
- Recurring diagnostic checks on equipment to maintain health of hardware and camera network
- Packaged value-added services custom-built with internal programming department to support core services

MANAGE RISK AND MITIGATE LIABILITIES

Shopping centers present unique security challenges including back alleys, storefronts, parking lots/garages, and expensive guard patrols. Stealth's proactive shopping center monitoring solutions provide the ability to actively watch site activities in real time and use voice-down communication to inform trespassers that they have been spotted and authorities are on the way, acting as a powerful deterrent, particularly for smash-and-grab type crimes.

STEALTH PROVIDES THESE BENEFITS:

- A proven, proactive solution to reduce drive-by patrols and on-site security guard expenses
- Deter property damage to storefronts and after-hours break-ins, which can help with marketing and property reputation
- Watch for unwanted activities like back door break-ins, vandalism, loitering, trespassing, illegal dumping, and drug use
- Monitor roofs and other vulnerable utility areas for wire and metals theft from HVAC units, transformers and utility meters

Choose an industry leader with over 100,000+ watched cameras every night.
